MONKEY 47 GIN £8.00

An unusual gin from the Black Forest in Germany, Monkey 47 contains a unique ingredient - Cranberries! The 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%. Served with Elderflower Tonic.

GUNPOWDER GIN £8.00

Gunpowder is a green tea that has been slowly dried. This gin has a fresh citrus taste and spicy notes of oriental botanicals. Served with Fentimans Rose Lemonade.

TANQUERAY £7.00

Tanqueray is distilled 4 times and uses only 4 botanicals being juniper, coriander, angelica and liquorice. Very fresh and smooth with a slight spice that creates a long tingle. Served with Fevertree Tonic.

MALFY ARANCIA £8.00

Blood Orange peels from Sicily are steeped in alcohol and basket pressed before blending with other botanicals to create a gin with stunning vibrancy of colour and citrus flavours. Served with Fentimans Tonic.
